Dear Douglass Community Supporter:

Re: National Douglass Alumni Corporation Scholarship Fund

The National Douglass Alumni Corporation is a 501(c)(3) non-profit organization that serves Frederick Douglass High School graduates by providing scholarships for college. As a stakeholder in the community, your tax-deductible donation would be a big help with our goal of making NDAC succeed in helping the students at the educational institution of their choice. We hope you will consider helping us as we move forward towards our goal.

Our fundraising goal for the 2023 - 2024 school year is \$40,000, which will provide a \$500 - \$1000 stipend for each graduate who enrolls in a program of study to further their education. This will help students become productive citizens and possibly give back to the Memphis community.

For further information, you may contact me or the Fundraising Chairperson listed below.

With kindest regards,

Vanessa D. Randle
NDAC President
